Detroit City Council 1340 Coleman A. Young Municipal Center Detroit, MI 48226

Re: Request for Public Hearing to Approve a Commercial Rehabilitation Certificate on behalf of REAL ESTATE INTERESTS, LLC, in the area of 3750 Woodward, Detroit, Michigan, in accordance with Public Act 210 of 2005 (Petition # 938).

Honorable City Council:

The Housing and Revitalization Department, Planning & Development Department and Finance Department have reviewed the application of **REAL ESTATE INTERESTS**, **LLC** and find that it satisfies the criteria set forth by P.A. 210 of 2005 and would be consistent with development and economic goals of the Master Plan.

Public Act 210 of 2005 states that the legislative body of the qualified local governmental unit, shall by resolution either approve or disapprove the application for a Commercial Rehabilitation Exemption Certificate in accordance with Section 3 and other provisions of this act. Prior to acting upon a resolution to recommend approval, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district.

We request that a Public Hearing be scheduled on the issue of approving the application for the Commercial Rehabilitation Certificate. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,

Donald Rencher

Director

BY COUNCIL MEMBER	

WHEREAS, pursuant to Public Act 210 of 2005 ("the Act") this City Council may adopt a resolution approving the application of a Commercial Rehabilitation Exemption Certificate within the boundaries of the City of Detroit; and

WHEREAS, REAL ESTATE INTERESTS, LLC has made application for a Commercial Rehabilitation Exemption Certificate whose boundaries are particularly described in the map and legal description attached hereto; and

**WHEREAS**, prior to such approval, the City Council shall provide an opportunity for a Public Hearing, at which a Public Hearing on such adoption of a resolution providing such tax exemption, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

### NOW THEREFORE BE IT

**RESOLVED**, that on the \_\_\_\_\_\_ 2019 in the City Council Committee Room, 13<sup>th</sup> floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application and be it finally

**RESOLVED**, that the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an *ad valorem* tax within the City of Detroit.

### Application for Commercial Rehabilitation Exemption Certificate

Issued under authority of Public Act 210 of 2005, as amended.

Read the instructions page before completing the form. This application should be filed after the commercial rehabilitation district is established. The applicant must complete Parts 1, 2 and 3 and file one original application form (with required attachments) and one additional copy with the clerk of the local governmental unit (LGU). Attach the legal description of property on a separate sheet. This project will not receive tax benefits until approved by the State Tax Commission (STC). Applications received after October 31 may not be acted upon in the current year. This application is subject to audit by the STC.

### **GENERAL DESCRIPTION**

The existing site consists of approximately 3.78 acres of vacant land that previously contained a two-story medical office building and a parking lot.

### **SCHEDULE**

Construction on the facility shall begin on are about September 16, 2019. The first building will be delivered in the second quarter of 2021. Completion of the improvements to the entire site is anticipated by the fourth quarter of 2024.

### STATEMENT OF ECONOMIC ADVANTAGES

The completed project shall be called "The Mid". It will be a 3.8-acre mixed-use development carefully planned to offer diverse programs; including retail, hotel, housing, and dining experiences with interwoven public spaces for community, resident, and visitor engagement and connectivity. The Mid's planned investment exceeds \$330 million and will create over 1,800 construction jobs and 700+ full-time equivalent positions (FTEs).

This development aims to unite the surrounding community and residents across a range of backgrounds and lifestyles. The Mid plans to incorporate a 225 room hotel, approximately 80,000 square feet of retail space, hundreds of multi-family residences, affordable housing, co-living housing units and 60 residential condominiums. The project will offer alternatives for family and communal living supported by eateries, entertainment and public amenities

## COMMERCIAL REHABILITATION EXEMPTION CERTIFICATE AGREEMENT

THIS AGREEMENT ("Agreement"), by and between th	e City o	of Detroit ("C	ity"), a Mic	chigan
municipal corporation acting by and through its Planning &	Develo	pment Departn	nent with an	office
at 2 Woodward Avenue, Suite 808, Detroit, MI 48226 and	3750	Woodward	Avenue,	LLC
("Applicant") with an office at 4000 Town Center. Suite 20	00, Sou	thfield, Michig	<u>(an 48075</u> is	made
this, 2019.				

#### WITNESSETH:

WHEREAS, Public Act 210 of 2005 as amended, also known as the Commercial Rehabilitation Act ("Act"), (1) provides for the establishment of commercial rehabilitation districts by local governmental units, (2) provides for the abatement or exemption from certain taxes for qualified facility owners, and (3) allows local governmental units to levy and collect a specific tax from the owners of certain qualified facilities, among other provisions; and

WHEREAS, the Applicant has submitted an Application for Commercial Rehabilitation Exemption Certificate ("Application") for the property located at: 3750 Woodward Avenue, Detroit, Michigan ("Property"). A copy of the Application is attached hereto as **Exhibit A** and made a part hereof; and

WHEREAS, the City has previously approved a commercial rehabilitation district pursuant to the Act and the Property is located in such district; and

WHEREAS, the Applicant has committed to complete a Rehabilitation of the Property, as defined in the Act, and to hire or retain a certain amount of full-time employees at the Property during the Term (as defined below); and

WHEREAS, the City has approved the Application by adopting a resolution granting the Commercial Rehabilitation Exemption Certificate ("CREC"), contingent upon the representations contained herein and pending approval by the Michigan State Tax Commission. A copy of the City resolution granting the CREC is attached hereto as **Exhibit B** and made a part hereof; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

### 1. General.

a. Unless earlier revoked as provided for in Section 12 of the Act, being MCL 207.852, or as provided for in this Agreement, the CREC term and the term of this Agreement (collectively, the "Term") will be ten (10) years, beginning on the certificate beginning date stated in the CREC issued by the Michigan State Tax Commission.

- b. The Applicant will complete the Rehabilitation of the Property (the "Project"), as defined in the Act and as set forth in the Application, no later than <u>December 31, 2025</u>.
- c. The Applicant shall create, or cause to be created, at least seven hundred three (703) (the "Employee Commitment Number") full-time employees at the Property within one (1) year of the effective date of this Agreement.
- d. The Applicant will recruit and hire City of Detroit residents in accordance with specified targets as set forth in the City of Detroit Resident Employment Plan ("Employment Plan") submitted by the Applicant to the City as part of the Application and approved by the City of Detroit Civil Rights, Inclusion and Opportunity Department ("CRIO"). Throughout the Term, the Employment Plan may be modified in CRIO's sole discretion. CRIO will monitor the Applicant's compliance with the Employment Plan on an annual basis throughout the Term. Upon notice from CRIO of a discrepancy between the Applicant's commitment in the Employment Plan and the actual number of City of Detroit residents employed at the Property, Applicant shall submit a correction plan setting forth the Applicant's plan to bring the number of City of Detroit residents employed at the Property back up to the specified targets as set forth in the Employment Plan. Applicant's correction plan must be approved by CRIO. Applicant shall be required to fulfill the terms of such correction plan in the timeline set forth in the correction plan.
- e. For purposes of this Agreement, a "full-time employee" is defined as a person: 1) who is employed by the Applicant or its affiliates on a salary, wage, commission, or other basis, for a minimum period of forty (40) hours a week and 2) from whose compensation the Applicant or its affiliates, including a staffing agency, are required by law to withhold City of Detroit income taxes. Affiliates may include Applicant's tenant(s) that lease space at the Property.

#### 2. Applicant Representations.

In compliance with the Act and in order to induce the City to grant a CREC to the Applicant, the Applicant represents that:

- a. The Applicant is the owner of the Property at the time of the Application and this Agreement.
- b. The Property is a "Qualified Facility" as defined under the Act.
- c. During the Term, no portion of the Property will be used as a professional sports stadium.
- d. During the Term, no portion of the Property will be used, owned or operated by a casino or affiliated company as defined in the Act.
- e. Applicant would not have considered undertaking the Project without a CREC.

- f. The Project did not start earlier than six (6) months before the Applicant filed the Application.
- g. There are no delinquent taxes owed on the Property.
- h. The Applicant will pay any applicable taxes on the Property as they become due.
- i. The Project and the Applicant's current and planned future operation of the Property are in compliance with the City of Detroit Zoning Ordinance and Master Plan.
- j. If the Project will include the provision of housing at the Property, the Applicant agrees to: 1) comply with Fair Housing Practices that meet the guidelines set forth by the U.S. Fair Housing Act (42 U.S.C. 3601 through 3619); and 2) comply with the Affordability Requirements set forth on Addendum 2, attached hereto.

#### 3. Community Benefits Requirements.

Pursuant to City of Detroit Ordinance 35-16 ("Ordinance"), also known as the Community Benefits Ordinance, if the Property involves a Tier 2 Development Project (as defined by the Ordinance), then the Applicant will:

- a. Partner with the City, and, when appropriate, a workforce development agency to promote the hiring, training and employability of Detroit residents consistent with State and Federal Law.
- b. Partner with the Director of the Planning & Development Department to address and mitigate negative impacts that the Tier 2 Development Project may have on the community and local residents. The Applicant will adhere to the mitigation requirements, if any, stated in the attached Addendum 1 4. b. Requirements, which is incorporated herein by reference.
- 4. Reporting to the City by the Applicant.

Applicant agrees to provide the City with sufficient information, subject to review and audit by the City, in order to determine compliance with this Agreement. At a minimum, the Applicant shall provide the City with the following during the Term:

- a. Upon request, the Applicant shall provide the Planning & Development Department copies of all construction plans, building permits and certificates of occupancy related to the Project. These documents, along with periodic site visits to the Property by the City, will serve to establish whether the Applicant is completing the Project as required by the Act and this Agreement.
- b. Within two (2) weeks after the first year of the Term and for each year of the Term thereafter, Applicant shall submit to the Planning & Development Department a certified status report ("Status Report") signed by an authorized officer of the Applicant. The Status Report shall set forth for the previous year: 1) the Rehabilitation work completed

- at the Property and the Applicant's financial investment in the Property for that year and 2) the number of full-time employees at the Property for that year.
- c. Within two (2) weeks after the last day of the first year of the Term and each year of the Term thereafter, the Applicant shall submit to CRIO the Annual Employment Report for Tax Abatements (the "Status Report"), including copies of proofs of residency that have been accepted by CRIO.
- 5. Revocation of CREC and Termination of this Agreement.

The City may, in its sole discretion and by resolution of Detroit City Council, revoke the CREC if the City finds that: 1) the completion of Rehabilitation of the Property has not occurred in the time or manner authorized by this Agreement; or 2) that the Applicant has not proceeded in good-faith with the Rehabilitation of the Property in a manner consistent with the purposes of the Act, taking into account any circumstances that are beyond the control of the Applicant.

Good faith efforts include, but are not limited to, the following: 1) Applicant is actively working with an agency or City Department to hire and ascertain methods of recruiting and employing Detroit residents at the Property, and 2) Applicant is actively working with the Detroit Economic Growth Corporation, the City's Planning & Development Department, and CRIO to ascertain methods of obtaining resources to improve Applicant's business in a manner that will allow for compliance with this Agreement.

6. Payment of Exempted Taxes for Shortfall of Employment.

If the average number of full-time employees at the Property for any given year of the Term is less than the Employee Commitment Number, the Applicant agrees to pay to the City, in addition to the Commercial Rehabilitation Tax due under the CREC, an amount equal to the difference between the amount of ad valorem tax that would be due on the Property without the CREC, and the amount of Commercial Rehabilitation Tax due on the Property under the CREC, for that given year, multiplied by a fraction, the numerator of which is the shortfall in the number of full-time employees indicated in the Status Report, and the denominator of which is the Employee Commitment Number. Prior to taking any action to require the Applicant to pay an amount to the City pursuant to this Section, the City must afford the Applicant an opportunity to present reasons for the employment shortfall at a public hearing.

In the event that the Applicant fails to report in the Status Report the number of full-time employees at the Property for a given year of the Term, the number of full-time employees at the Property for purposes of this Section shall be deemed to be zero (0).

### 7. Notice to City of Discontinuance of Operations.

If during the Term the Applicant intends to discontinue operations at the Property, the Applicant will provide thirty (30) days' prior written notice of such shutdown of operations to the Director of the Planning & Development Department.

#### 8. Reservation of Remedies.

The City and the Applicant agree that each of the rights and remedies provided by this Agreement may be exercised separately or cumulatively, and shall not be exclusive of any other rights and remedies provided by law. Invalidation of any of the provisions contained in this Agreement by operation of law, judgment, court order or otherwise shall not invalidate any of the other provisions of this Agreement.

#### 9. Transfer.

Neither the CREC nor this Agreement may be transferred or assigned by the Applicant to a new owner of the Property unless the City, in its sole discretion, approves such transfer or assignment upon application by the new owner.

### 10. Headings.

The headings contained in this Agreement are for descriptive purposes only, and do not alter or govern the substantive content of the provisions of the Agreement.

#### 11. Capitalized Terms

Capitalized terms used but not defined herein shall have the meaning ascribed to them in the Act.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the City and the Applicant, by and through their authorized officers and representatives, have executed this Agreement as follows:

Katy Trudeau, Deputy Director Planning & Development Department Coleman A. Young Municipal Center 2 Woodward Ave, Suite 808 Detroit, MI 48226

RE:

Commercial Rehabilitation Certificate - Real Estate Interests LLC on behalf of 3750 Woodward Avenue LLC

Property Address: 3750 Woodward Avenue

Parcels Number: 01004190-8.

Dear Ms. Trudeau:

The Office of the Chief Financial Officer, Office of the Assessor, has reviewed the Commercial Rehabilitation certificate application for the properties located at **3750 Woodward Avenue** in the **Midtown** area in the City of Detroit.

The rationale for issuing Commercial Rehabilitation certificates under PA 210 of 2005, as amended, is based on the anticipation of increased market value upon completion of new construction and /or significant rehabilitation of existing commercial property and commercial housing property. Normal repair and maintenance are not assessed and do not necessarily generate additional market value.

The proposed project by **3750 Woodward Avenue LLC** is to construct a mixed-use development including 225 room hotel, 80,000 square feet of retail space, hundreds of multi-family residence, affordable housing, co-living housing units, and 60 residential condominiums on 3.780 acres of vacant land that previous contained a commercial building and contains paved parking. The project is expected to increase commercial activity, create employment, and revitalize an urban area.

The 2019 values are as follows:

Parcel #	Address	Building Assessed Value (SEV)		Land Assessed Value (SEV)	Land Taxable Value
01004190-8	3750 Woodward Ave	\$ -	\$ -	\$ 3,812,800	\$ 3,812,800

This property meets the criteria set forth under PA 210 of 2005, as amended. It applies to a building or a group of contiguous buildings, a portion of a building or group of contiguous buildings previously used for commercial or industrial purposes, obsolete industrial property, and vacant property which, within the immediately preceding 15 years, was operating as a commercial business enterprise.

A review of the general plans, along with the criteria set forth under the Commercial Rehabilitation Act, indicated that the proposed project located at **3750 Woodward Avenue** is eligible as it pertains to the Commercial Rehabilitation certificate criteria under P.A. 210 of 2005, as amended.

RE: Master Plan Interpretation for Commercial Rehabilitation District (PA 210) for 3750

**Woodward Avenue** 

DATE: September 3, 2019

CC: Maurice Cox, Director, Planning and Development

Kevin Schronce, Central Region, Planning and Development

In order to ensure that **establishment** of a **Commercial Rehabilitation District** and issuance of a **certificate** for a **Commercial Rehabilitation District** is consistent with the City's <u>Master Plan of Policies</u> and will have the reasonable likelihood to increase commercial activity; create, retain or prevent a loss of employment; revitalize an urban area; or increase the number of residents in a community, pursuant to State of Michigan, Public Act 210 of 2005 (section 207.843 and section 207.844), the Planning and Development Department's Planning Division submits the following interpretation. The Petitioner is Real Estate Interests, LLC

#### **Location and Project Proposal:**

The project will be a 3.8 acre mixed use development to provide retail, hotel, housing, and dining experience with interwoven public spaces. Project plans to incorporate a 225 room hotel, 80,000 square feet of retail space, hundreds of multi-family residences, affordable housing, co-living housing units, and 60 residential condominiums

#### **Master Plan Interpretation**

The subject site area is designated **Mixed Residential-Commercial (MRC).** Mixed Residential-Commercial areas consist primarily of high density housing developed compatibly with commercial and/or institutional uses. This classification is well suited to areas proximal to existing centers of major commercial activity, major thoroughfares, transportation nodes, or gateways into the city.

The following policies of the Lower Woodward neighborhood describe the following recommendations:

- Policy 2.1: Develop Woodward and Cass as high-density mixed use corridors with housing and ground-floor commercial
- Policy 3.1: Along Woodward, encourage high-density mixed uses complimentary to the area's cultural anchors
- Policy 8.1: Recognize and protect distinctive urban vistas along Woodward to the Central Business District
- Policy 9.1: Develop design guidelines to promote linkages among and to the various cultural and entertainment districts

The proposed development conforms to the Future General Land Use characteristics of the area.

The MID – 3750 Woodward Avenue 3750 Woodward Avenue, LLC Employment Commitment Report Narrative

#### **GENERAL DESCRIPTION**

The existing site consists of approximately 3.78 acres of vacant land that previously contained a two-story medical office building and a parking lot.

The completed project shall be called "The Mid". It will be a 3.8-acre mixed-use development carefully planned to offer diverse programs; including retail, hotel, housing, and dining experiences with interwoven public spaces for community, resident, and visitor engagement and connectivity. The Mid's planned investment exceeds \$330 million and will create over 1,800 construction jobs and 700+ full-time equivalent positions (FTEs). Those positions will consist of opportunities in both management and staff in hospitality, retail and food service.

This development aims to unite the surrounding community and residents across a range of backgrounds and lifestyles. The Mid plans to incorporate a 225-room hotel, approximately 80,000 square feet of retail space, hundreds of multi-family residences, affordable housing, co-living housing units and 60 residential condominiums. The project will offer alternatives for family and communal living supported by eateries, entertainment and public amenities

#### TARGETING OPPORTUNITIES FOR DETROITERS AND DETROIT BUISINESSES

The hotel development is Phase I of the project and is scheduled to be completed in the 2nd quarter of 2021. As developer, we will direct a comprehensive effort to connect the hotel brand operators and the restaurant operators to the specific entities specializing in qualifying and placing Detroiters in hospitality and food service positions. These groups will include:

- Detroit Employment Solutions Corp and the Mayor's Office of Workforce Development
- Midtown Detroit, Inc The Mid will be a flagship participant in MDI's planned hospitality training and certification program at 666 Selden.
- Detroit Rescue Mission Ministries
- Local veterans hiring organizations

The MID – 3750 Woodward Avenue 3750 Woodward Avenue, LLC Employment Commitment Report Narrative

In addition to participation in and hosting of local job fairs The Mid will create a specific website for training, qualifying and placing local Detroiters.

Finally, the project has also designated that at least 15% of available retail space shall be targeted toward local businesses owned by Detroiters.

#### **SCHEDULE**

Construction on the facility shall begin on or about September 16, 2019. The first building will be delivered in the second quarter of 2021. Completion of the improvements to the entire site is anticipated by the fourth quarter of 2025.

COUNCIL PRESIDENT BRENDA JONES

- 1. What is the plan for hiring Detroiters?
- 2. Please give a detailed description of the jobs available as listed in the above chart, i.e. job type, job qualifications, etc.
- 3. Will this development cause any relocation that will create new Detroit residents?
- 4. Has the developer reached out to any community groups to discuss the project and/or any potential jobs?
- 5. When is construction slated to begin? September 16, 2019
- 6. What is the expected completion date of construction? 3rd Quarter, 2025

<sup>\*</sup>Please contact Linda Wesley at (313) 628-2993 or <a href="wesleyl@detroitmi.gov">wesleyl@detroitmi.gov</a> to schedule a date to attend the Skilled Trades Task Force.

## 1. What is the plan for hiring Detroiters?

The hotel development is Phase I of the project and is scheduled to be completed in the 2<sup>nd</sup> quarter of 2021. Employment opportunities will consist of hotel and related restaurant/food service positions. As developer, we will direct a comprehensive effort to connect the hotel brand operators and the restaurant operators to the specific entities specializing in qualifying and placing Detroiters in hospitality and F & B positions. These groups will include:

- Detroit Employment Solutions Corp and the Mayor's Office of Workforce Development
- Midtown Detroit, Inc The Mid will be a flagship participant in MDI's planned hospitality training and certification program at 666 Selden.
- Detroit Rescue Mission Ministries
- Local veterans hiring organizations

In addition to participation in and hosting of local job fairs The Mid will create a specific website for training, qualifying and placing local Detroiters

# 2. Please give a detailed description of the jobs available as listed in the above chart, i.e. job type, job qualifications, etc.

#### Construction Jobs:

#### Skilled Labor

Description	Totals	Skilled Labor 85%	Non Skilled 15%
Hotel / Condo	703	598	105

Architect/Design	30
Other Professional	19
	60

#### Post Construction Jobs:

Hotel Administrative	40
Hotel Department	85
Hotel Food & Beverage	98
Retail Food & Beverage	127
Retail Soft Goods	365
Multifamily Staff	5
Co-Living Staff	5
	725

## 3. Will this development cause any relocation that will create new Detroit residents?

There will be no relocation of any existing Detroit residents. It is likely that some of the units will be occupied by residents new to Detroit.

## 4. Has the developer reached out to any community groups to discuss the project and/or any potential jobs?

We have conducted a comprehensive outreach to both community groups and elected officials to discuss the project and employment opportunities, including the following:

#### Community Engagements:

- November 7th Meeting with Marc Coriveau, Vice-President of Government Affairs Henry Ford Health Systems
- November 12th Community meeting at The Strathmore, 70 West Alexandrine. 10 residents attended the presentation.
- November 29th Community meeting at Bicentennial Tower, 4 East Alexandrine
- December 13th: A community engagement session was hosted for residents of The Ellington Lofts, the adjacent residence building located at 3670 Woodard. There were 27 residents in attendance.
- November 20th Meeting with Patrick Lindsey, Vice-President Government Affairs and Community Affairs Wayne State University and Doug Skrzyniarz, Associate Vice-President – Government Health Affairs, Wayne State University

## Elected Officials Engagements:

- December 11th: The 3750 Woodward development was shared and discussed with Mariana Martinez, Chief of Staff for Detroit City Council Member Raquel Castañeda-López
- December 22nd Met with Detroit City Council Member André L. Spivey.
- February 20th Met with Detoit City Council President Pro Tem Mary Sheffield.
- February 20th Met with Detroit City Member Raquel Castenda' Lopez.
- March 7th Met with Detroit City Council Member James Tate.
- March 29th Met with Wayne County Commissioner Jewel Ware
- June 25th Met with Detroit City Council Member Gabe Leland.

Re: Request for a Public Hearing to Establish an Obsolete Property Rehabilitation District on behalf of Infinity Acquisitions, LLC in the area of 2001 Park, Detroit, Michigan, in accordance with Public Act 146 of 2000 (Petition #936).

Honorable City Council:

The Housing and Revitalization Department has reviewed the application of **Infinity Acquisitions, LLC** and find that it satisfies the criteria set forth by P.A. 146 of 2000 and would be consistent with development and economic goals of the Master Plan.

Prior to acting upon a resolution to recommend approval, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district, said notice is to be made not less than 10 days or more than 30 days prior to your Honorable Body's adoption of said resolution.

We request that a Public Hearing be scheduled on the issue of establishing an Obsolete Property Rehabilitation District. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,

Donald Rencher

Director

Detroit City Council Coleman A. Young Municipal Center 2 Woodward Ave Suite 1340 Detroit, MI 48226

RE: Request for the Establishment of an Obsolete Property Rehabilitation District at 2001 Park Avenue, Detroit, Michigan

Honorable City Council:

Please accept this letter as a request to establish an Obsolete Property Rehabilitation Development District, pursuant to the Obsolete Property Rehabilitation Act, MCL 125.2781, et. seq. The applicant company is Infinity Acquisitions, LLC, an affiliate entity of Infinity Homes Corp. ("IHC"), whose address is 42400 Grand River Avenue, Suite 112, Novi, Michigan, 48375. This request relates to the property located at 2001 Park Avenue, Detroit, Michigan 48226, tax parcel ID No. 02000382 (the "Property"). The Property is described in detail in Attachment A to this letter.

#### I. Summary and History of the Applicant, the Property, and the Project.

Infinity Acquisitions, LLC and Infinity Homes Corp.

The applicant company ("TAC"), is an affiliate IHC, a Michigan corporation, which has dedicated its corporate mission to making the American dream of owning a new home a reality for thousands of Michigan residents and families. TAC is the owner of the Property, and IHC is the developer for the Project.

Established in 2000, IHC has built over 1,300 single and multi-family homes throughout Southeastern Michigan. IHC specializes in home building, land development, land and real estate acquisitions, residential and commercial leasing, property management of company-owned properties, and property management. IHC was founded on the core principles of developing and establishing a solid reputation for providing not only affordability in the residences built, but also providing an unparalleled level of quality and customer service to all IHC residents and customers. IHC is proud to deliver products that it considers to be "lasting investments" to all IHC residents and customers.

City of Detroit City Council June 6, 2019 Page 2 of 7

IHC's business model is aggressive, yet financially conservative. IHC is a fully diversified development company with the ability and resources to transform large tracts of land and obsolete, unkempt buildings into affordable, desirable, and well-built residential housing. IHC transforms buildings and properties from the initial acquisition and design stages, through state and local government entitlements, through land development, sales and marketing and final home building construction processes. Our current inventory of nearly 1,000 entitled and improved homesites in addition to several hundred acres of land throughout southeastern Michigan under our current ownership positions us to continue to be an industry leader in our marketplace for years to come.

Founded in Michigan, IHC and its affiliates are dedicated to the development and revitalization of Michigan communities by providing affordable, quality housing options to Michigan residents. In developing and rehabilitating residential housing, IHC has demonstrated a relentless commitment to preserving the traditional and historic characteristics of Michigan communities and architecture.

#### The Property.

TAC acquired the Property in February 2018. Situated on the Property is a historic 12-story high-rise building (the "Building") designed by the infamous Albert Kahn—the "architect of Detroit". The Building totals 105,000 square feet and was constructed in 1922. Although currently obsolete and in complete disrepair, the Building is truly a historical landmark for the City.

The Property was previously owned by the late Ralph Sachs, who acquired the Property in 1981. During his ownership, Sachs allowed the Building and the Property to fall into complete disrepair. Due to its unkempt, dated, crumbling, and inefficient infrastructure, the Building has been sitting idle for years. In fact, in 2015, during Sachs' ownership, the Building was slated for demolition. At that time, the City of Detroit Law Department described the condition of the Building as "open, vacant and dangerous." The City further stated that the Building "is the very definition of irreparable harm to the public." Upon Sachs' death, the Building and the Property were listed for sale. TAC purchased the Property from Sachs' estate.

#### The Project.

TAC will undertake a complete transformation and rehabilitation of the Property and the Building from an obsolete, desolate structure into a state-of-the-art, multi-use facility that will be used for residential housing and retail (the "Project"). The Project will include rehabilitation of all 12-floors of the Building, and will yield approximately 77 new residential apartments. Twenty Percent—or approximately 15 units—will be designated as affordable housing units. The Project will yield approximately 61,550 square feet of new living space, plus an additional 15,000 square feet of general common areas for residents. The Project will also yield more than

See Attachment A-1: Paul Beshouri, "Abandoned Park Avenue Building Suddenly Faces Demolition", Curbed Detroit (online, August 15, 2014) <a href="https://detroit.curbed.com/2014/8/15/10059884\_abandoned-park avenue-building-suddenly-faces-demolition-">https://detroit.curbed.com/2014/8/15/10059884\_abandoned-park avenue-building-suddenly-faces-demolition-</a>

City of Detroit City Council June 6, 2019 Page 3 of 7

5,500 square feet of new retail space, which TAC plans to develop into a restaurant and/or retail. All of these Project components are included in TAC's request for OPRA incentive. After the Project is complete, TAC and IHC will retain ownership and management of the Building and the Property to ensure that their high-standards for Building quality, cleanliness, and maintenance are preserved.

With the aforementioned improvements, TAC plans to add between 50-60 full-time and/or part-time jobs to operate, manage, and maintain the Building, the Property, and the retail/restaurant facilities to be developed in the Building. The addition of these jobs will add an anticipated \$2M in payroll annually to the City of Detroit. TAC also anticipates to add between 300-400 temporary full-time and/or part-time high-skilled jobs to facilitate the Project, including jobs for demolition, remediation, rehabilitation, and construction. The addition of these jobs will add over \$7M in payroll annually to the City of Detroit.

It is extremely important to TAC to preserve the culture and history of the Property during restoration, and hiring Detroit-based workers is a critical part of that process. TAC has already hired Detroit-based architectural and design firm Kraemer Design Group to design the Project, and collaboration between TAC and Kraemer is well underway. For construction-related employment opportunities, TAC and its general contractor plan to send Requests for Proposals to, and solicit bids from, Detroit-based contractors to work on the Project. Through the RFP and bid-solicitation process, TAC plans to hire as many Detroit-based contractors as possible for the Project. After construction and rehabilitation, TAC plans to hire Detroit residents for full- and part-time permanent positions for retail operations and building management job opportunities. Please see TAC's President Jones Incentive Information Chart, submitted with this Petition, for further information on anticipated job opportunities and plan for hiring Detroit residents to fill these opportunities.

In order to complete this rehabilitation and transformational Project, TAC plans to invest over \$21M in the Property and the surrounding area. The Building requires more than \$17M in investment just to restore it to a safe and economically efficient functional condition. As part of the TAC's plan to develop the Property into a state-of-the-art residential and retail campus, the Building and the Property require extensive rehabilitation and remediation. The rehabilitation and remediation plan includes, but is not limited to: removal of environmental hazards; electrical modifications; gas system modifications; foundation improvements; improvements to ventilation; HVAC repair and replacement; security and safety enhancements; repairing and likely replacement of elevators and special equipment; updating public infrastructure including roads, sidewalks, utilities, and sewage systems; improvements to Property walkways, driveways, landscaping, fencing, site lighting, and drainage; lead and asbestos abatement and removal; and improvement and restoration of the crumbling and desolate exterior façade.

In 2017, the Building was dubbed "the last downtown building that officially had been designated 'dangerous'". The Building and the Property are historical and cultural landmarks in the City, and TAC anticipates that the Detroit community will benefit greatly from their repair and restoration. In order to preserve the historical and cultural integrity of the Building, restoration, rehabilitation, and repair will be exceptionally expensive.

City of Detroit City Council June 6, 2019 Page 4 of 7

The improvements will begin once the requested Obsolete Property Rehabilitation District is established and continue through 2021. Given the desolate and hazardous condition of the Building when it was acquired by TAC, TAC has already begun emergency remediation (i.e. repair of electrical systems, securing Building and Property premises, and light environmental remediation) in order to make the Property safe. TAC has secured plans to begin rehabilitation of the Building and the Property, including a plan and blueprints for rehabilitation and plans for environmental remediation.

In short, TAC is thrilled to begin this Project and assume its role in the revitalization and restoration of Detroit. TAC is not some out-of-state developer looking for an easy investment and quick capital gain. Rather, TAC (and IHC) has demonstrated an unwavering commitment to creating affordable, quality housing in Michigan, and views this Project as a long-term investment in the City of Detroit. TAC is committed to cultural, architectural, and community preservation in completing this Project. And, as a local Michigan company, TAC (and IHC) is humbled by the opportunity to restore and revive a historic Detroit landmark, while creating new job opportunities and critical housing options for Michigan residents.

TAC has secured initial verbal support from the Detroit Economic Growth Corporation and may request CRP or other related support from the Michigan Economic Development Corporation.

## II. Applicable Michigan Statute to Determine OPRA Eligibility.

TAC requests the establishment of an Obsolete Property Rehabilitation District for the Property. This request is made pursuant to section 125.2783 of the Obsolete Property Rehabilitation Act, which states, in relevant part:

- (1) A qualified local governmental unit, by resolution of its legislative body, may establish 1 or more obsolete property rehabilitation districts that may consist of 1 or more parcels or tracts of land or a portion of a parcel or tract of land, if at the time the resolution is adopted, the parcel or tract of land or portion of a parcel or tract of land within the district is either of the following:
- (a) Obsolete property in an area characterized by obsolete commercial property or commercial housing property.
- (2) The legislative body of a qualified local governmental unit may establish an obsolete property rehabilitation district on its own initiative or upon a written request filed by the owner or owners of property comprising at least 50% of all taxable value of the property located within a proposed obsolete property rehabilitation district. The written request must be filed with the clerk of the qualified local governmental unit.

MCL 125.2783.

#### III. Need for Exemption Certificate.

Securing an Obsolete Property Rehabilitation exemption certificate is critical to TAC's ability to finance the Project and rehabilitate the Property. Without an exemption certificate, TAC will have significant financial obstacles to overcome in funding the Project. If TAC is unable to secure an exemption certificate, TAC will be unable to undertake rehabilitation of the Property and the Building.

As outlined above, the Property and the Building is in complete disrepair, has been vacant for over a decade, and is currently obsolete. It is tragic that the Building's prior owner demonstrated such neglect and disconcert for the condition of the Building and the Property—which are true historic landmarks in the City of Detroit. It will take a significant investment (upwards of \$17M, not including acquisition of the Property) to restore the Building and the Property to functioning condition.

TAC and its affiliate IHC currently employ approximately 40 full-time employees. TAC anticipates that the Project will add 4-5 full-time employees to TAC payroll by 2020. These new TAC employees will work exclusively in the City of Detroit.

TAC's anticipated capital and private investments in the Project are as follows:

Total Investment	\$21,700,000	100.00%
Capital	\$7,755,000	35.74%
Other Soft Costs	\$680,000	3.13%
Furniture & Fixtures – Purchased	\$200,000	0.92%
Machinery & Equipment - Purchased	\$250,000	1.15%
Building – Renovation	\$12,240,000	56.41%
Building - New Construction	\$0	0.00%
Demolition	\$525,000	2.42%
Site Improvement	\$25,000	0.12%
Infrastructure	\$25,000	0.12%

Anticipated Funding Sources for the Project are as follows:

Fight elaporous 1000 a. Fr. 15 on a 4 \*

Top letter 1 to 1 to 2

City of Detroit City Council June 6, 2019 Page 6 of 7

#### IV. Length of Requested Exemption.

TAC requests an Obsolete Property Rehabilitation Exemption Certificate for a period of twelve (12) years.

## V. Statement of Economic Advantages Arising From Exemption

TAC anticipates that the City of Detroit will experience significant economic benefits from TAC's rehabilitation of the Property. These economic benefits include, but are not limited to:

- Restoration of a historic, iconic, cultural and architectural Detroit landmark.
- Creation of up to 400 short-term jobs to facilitate and complete the Project, which will yield an anticipated \$7M increase in payroll in Detroit.
- Creation of 50 60 long-term jobs to manage, operate, and maintain the Building (including Building retail and restaurant space) and the Property, which will yield an anticipated \$2M increase in payroll in Detroit.
- Development of state-of-the-art rental housing in Detroit, which will attract and accommodate new residents and professionals to the City.
- TAC's rehabilitation Project will yield a significant increase in the taxable value of the Property, and increased tax payments to the City. Restoring the Property and the Building to an economically efficient, functional structure will yield higher tax payments to the City. TAC is current on all taxes owed on the Property. See Attachment B, Paid Receipt of Current Taxes.

In addition to this request, TAC has also applied for, or anticipates applying for, the following public assistance programs:

- Historic Preservation Tax Incentive
- MEDC Community Revitalization Program

#### VI. Closing

For all of the above reasons, TAC respectfully requests that the City Council establish an Obsolete Property Rehabilitation District encompassing the Property located at 2001 Park Avenue. Should you have any questions regarding the Project, the Property, or otherwise, please contact our legal representative Regina Staudacher at 248.723.0311.

#### General Description of the Building:

Year Built

1922

Original Use:

The first floor of the Building originally consisted of a main lobby, restaurant space, and retail space. The remaining 11-floors were used as office space. Some of the former Building tenants included doctor offices, lawyer offices, architectural firms, and a credit bureau. The Building was able to maintain a decent occupancy through the 1980's, but most tenants left by the 1990's. See Attachment A-1, Park Avenue Building, DETROIT-ISH.COM (2017), http://detroit-ish.com/photos/park-avenue-building/ (last visited May 10, 2019).

Recent Use:

The Building has been abandoned since 2000, when the restaurant, which was the Building's last tenant, closed indefinitely. See Attachment A-1, Park Avenue Building, Detroit-ish.com/(2017), http://detroit-ish.com/photos/park-avenue-building/ (last visited May

10, 2019).

## General Description of the Rehabilitated Facility Proposed Use:

- TAC will undertake a complete transformation and rehabilitation of the Property and redevelop the Building from an obsolete, desolate structure into a state-of-the-art, multi-use facility that will be used for residential housing and retail (the "Project").
- The Project will include rehabilitation of all 12-floors of the Building, and will yield approximately 77 new residential apartments. The Project will yield approximately 61,550 square feet of new living space, plus an additional 15,000 square feet of general common areas for residents. The Project will also yield more than 5,500 square feet of new retail space, which TAC plans to develop into a restaurant and/or retail.
- After the Project is complete, TAC and IHC will retain ownership and management of the Building and the Property to ensure that their high-standards for quality, cleanliness,

and maintenance are preserved – a hallmark of the TAC legacy in developing successful housing projects.

Nature and Extent of Planned Rehabilitation; List of Fixed Building Equipment as Part of Rehabilitation:

#### Rehabilitation Plans:

- Demolition of current interior structural plan;
- Build approximately 77 residential apartments as follows:
  - o 9 studio, 1-bathroom apartments, 500 sq. ft. each
  - o 53 1-bedroom, 1-bathroom apartments, 750 sq. ft. each
  - o 13 2-bedroom, 2-bathroom apartments, 1,100 sq. ft. each
  - o 2 3-bedroom, 2.5 bathroom apartments, 1,500 sq. ft. each
- Demolish and rebuild interior first floor plan, create restaurant and retail space on main floor as follows:
  - o 5,500 sq. ft. of restaurant and retail space
  - Rehabilitate basement for restaurant and retail storage, or for secondary kitchen for restaurant
- Demolish and rebuild lobby and Building main entrance
- Foundation improvements
- Environmental remediation, including lead and asbestos abatement
- Improvement and restoration of the crumbling and desolate exterior façade

## Equipment for Repair/Replacement:

- Improvements to ventilation
- HVAC repair and replacement
- Security and safety enhancements
- Repairing and possibly replace elevators and special equipment
- Updating public infrastructure including roads, sidewalks, utilities, and sewage systems
- Improvements to Property walkways, driveways, landscaping, fencing, site lighting, and drainage

#### Time Schedule for Rehabilitation:

Infinity plans to start construction as soon as an an OPRA District is established. Infinity hopes to have a district established so that it can begin construction no later than October 2019. The Project will take approximately 24-months to complete.

DOWNTOWN

# Abandoned Park Avenue Building Suddenly Faces Demolition

By Paul Beshouri | Aug 15, 2014, 3:16pm EDT

Another slice of downtown Detroit's historic architecture looks ready to fall.

According to the <u>Detroit News</u>, the city is "taking legal steps" to force the demolition of the **Park Avenue Building**, an Albert Kahn design completed in 1922. Today, the building is a mess of gaping windows secured only by a flimsy fence.

The city's court filings get pretty dramatic, declaring the building to be "the very definition of irreparable harm to the public." In reality, that title more accurately applies to the building's longtime owner, Ralph Sachs. You might remember Sachs as the owner of the historic Hotel Charlevoix, which he neglected for decades until tumbling bricks convinced a judge to order demolition last year. Today, it's a parking lot.

The PAB, however, appears to be in much better condition than the Charlevoix. It also boasts some beautiful exterior ornamentation. Why suddenly push for demolition rather than mothball it for later renovation? Two words: <a href="#">Arcna</a>
<a href="#">District</a>. The PAB stands in Columbia Park, one of the district's planned "neighborhoods." Plans describe Columbia Park as a "fresh, modern neighborhood anchored by a new public green space."

<a href="#">UPDATE (8/16)</a>: We're hearing that the empty Hotel Charlevoix property is</a>

no longer open for parking. Strange.

936 Petition of Infinity Acquisitions, LLC., request for the establishment of an Obsolete Property Rehabilitation District at 2001 Park Avenue, Detroit, MI 48226 under P.A. 146 of 2000.

REFERRED TO THE FOLLOWING DEPARTMENT(S)

LEGISLATIVE POLICY DIVISION PLANNING AND DEVELOPMENT DEPARTMENT LAW DEPARTMENT FINANCE DEPARTMENT

COLEMAN A. YOUNG MUNICIPAL CENTER 2 WOODWARD AVENUE, SUITE 824 DETROIT, MICHIGAN 48226 (313) 224-3011 • TTY:711 (313) 224-9400 WWW.DETROITMI.GOV

July 9, 2019

Maurice Cox, Director Planning & Development Department Coleman A. Young Municipal Center 2 Woodward Ave, Suite 808 Detroit, MI 48226

Re: Obsolete Property Rehabilitation District - Infinity Acquisitions LLC

> Property Address: 2001 Park Parcel Number: 02000382.

Dear Mr. Cox:

The Office of the Chief Financial Officer, Office of the Assessor, has reviewed the proposed Obsolete Property Rehabilitation District located at 2001 Park in the Foxtown area in the City of Detroit.

The rationale for creating Obsolete Property Rehabilitation Districts under PA 146 of 2000, as amended, is based on the anticipation of increased market value upon completion of new construction and /or significant rehabilitation of existing commercial property and commercial housing property. Normal repair and maintenance are not assessed and do not necessarily generate additional market value

Infinity Acquisitions LLC intends to completely renovate the vacant 12-story historic office building consisting of 92,293 square feet of building area, built in 1923, on .184 acres of land into a mixed-use facility with 77 new residential apartments with 20% of the units with affordable rent, 5,500 square feet of retail and a general common area for residents. Rehabilitation is proposed to include lead and asbestos removal, restoration of exterior façade, foundation improvements, HVAC repair/replacement, elevator repairs, and electrical and gas system modifications

This property meets the criteria set forth under PA 146 of 2000, as amended. It applies to blighted, functionally obsolete and contaminated properties. "Rehabilitation," meaning that changes to qualified facilities that are required to restore or modify the property, together with all appurtenances, to an economically efficient condition. Rehabilitation also includes major renovation and modification including, but not necessarily limited to, the improvement of floor loads, correction of deficient or excessive height, new or improved fixed building equipment, including heating, ventilation, and lighting. reducing multistory facilities to 1 or 2 stories, adding additional stories to a facility or adding additional space on the same floor level not to exceed 100% of the existing floor space on that floor level, improved structural support including foundations, improved roof structure and cover, floor replacement, improved wall placement, improved exterior and interior appearance of buildings, and other physical changes required to restore or change the obsolete property to an economically efficient condition

A field investigation indicated that the proposed Obsolete Property Rehabilitation District located at 2001 Park is eligible as it pertains to the Obsolete Property Rehabilitation Act under P.A. 146 of 2000, as amended

RE: Master Plan Interpretation for Obsolete Property District (PA 146) at 2001 Park Avenue

DATE: August 9, 2019

CC: Maurice Cox, Director, Planning and Development

Kevin Schronce, PDD Central, Planning an Development

In order to ensure that the **creation** of an **Obsolete Property District** is in conformance with the City's Master Plan of Policies and will have the reasonable likelihood to increase commercial activity; create, retain or prevent a loss of employment; revitalize an urban area; or increase the number of residents in a community, pursuant to State of Michigan, Public Act 146 of 2000 (section 125.2788), the Planning and Development Department submits the following interpretation. The Petitioner is Infinity Acquisitions, LLC

Location and Project Proposal: Project will rehabilitate an approximately 105,000 square foot property into a multi-use facility for residential and retail. Project is anticipated to be 12-floors and yield approximately 77 new residential apartments. 20% of the units will be designated as affordable housing. The project is approximately 61,550 square feet of residential and 15,000 square feet of general common areas for residents. The project will accommodate approximately 5,500 square feet of new retail space

#### **Master Plan Interpretation**

The subject site area is designated **Mixed Residential-Commercial (MRC)**. Mixed Residential-Commercial areas consist primarily of high density housing developed compatibly with commercial and/or institutional uses. This classification is well suited to areas proximal to existing centers of major commercial activity, major thoroughfares, transportation nodes, or gateways into the city."

The proposed development conforms to the Future General Land Use characteristics of the area.

Re: Request for Public Hearing to Approve an Obsolete Property Rehabilitation Certificate on behalf of Raincheck Development LLC in the area of 40 Hague, Detroit, Michigan, in accordance with Public Act 146 of 2000 (Petition #895).

#### Honorable City Council:

The Housing and Revitalization Department and Finance Departments have reviewed the application of **Raincheck Development**, **LLC** and find that it satisfies the criteria set forth by P.A. 146 of 2000 and would be consistent with development and economic goals of the Master Plan.

Public Act 146 of 2000 states that the legislative body of the qualified local governmental unit, shall by resolution either approve or disapprove the application for an Obsolete Property Rehabilitation Exemption Certificate in accordance with Section 8 and other provisions of this act. Prior to acting upon a resolution to recommend approval, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district.

We request that a Public Hearing be scheduled on the issue of approving the application for the Obsolete Property Rehabilitation Certificate. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,

Donald Rencher

Director

#### Application for Obsolete Property Rehabilitation Exemption Certificate

This form is issued as provided by Public Act 146 of 2000, as amended. This application should be filed after the district is established. This project will not receive tax benefits until approved by the State Tax Commission. Applications received after October 31 may not be acted upon in the current year. This application is subject to audit by the State Tax Commission.

INSTRUCTIONS: File the original and two copies of this form and the required attachments with the clerk of the local government unit. (The State Tax Commission requires two copies of the Application and attachments. The original is retained by the clerk.) Please see State Tax Commission Bulletin 9 of 2000 for more information about the Obsolete Property Rehabilitation Exemption. The following must be provided to the local government unit as attachments to this application: (a) General description of the obsolete facility (year built, original use, most recent use, number of stories, square footage); (b) General description of the proposed use of the rehabilitated facility, (c) Description of the general nature and extent of the rehabilitation to be undertaken, (d) A descriptive list of the fixed building equipment that will be a part of the rehabilitated facility, (e) A time schedule for undertaking and completing the rehabilitation of the facility, (f) A statement of the economic advantages expected from the exemption. A statement from the assessor of the local unit of government, describing the required obsolescence has been met for this building, is required with each application. Rehabilitation may commence after establishment of district.

July 10, 2019

Detroit City Council Coleman A. Young Municipal Center 2 Woodward Ave Suite 1340 Detroit, MI 48226

RE: Request for the Establishment of an Obsolete Property Rehabilitation Act (OPRA)
Certificate at 40 Haque Street, Detroit, Michigan 48202 for RainCheck

Development, LLC

#### Honorable City Council:

Please accept this letter for an Obsolete Property Rehabilitation Certificate (OPRC) for the property located at 40 Hague Street, Detroit, Michigan 48202, which is referred to herein as the "Property" and described on Attachment A. The Property will be rehabilitated by the petitioner and current owner, RainCheck Development, LLC.

#### Company and Project Synopsis

RainCheck Development, LLC (the "Developer") is led by Neal Check. Mr. Check serves as the manager and has worked more than 25 years in the low voltage industry, providing lighting, security, entertainment systems, and home automation services via SoundCheck, Inc. Check then combined his extensive tech-based knowledge with a passion for developing construction projects, kicking off a new venture in single family residential development that feature smarthome technology. Thus, TechHome Building Co., LLC was formed. Currently, RainCheck Development has a new townhome development underway on 4<sup>th</sup> Street in Midtown Detroit that highlights these smart home features. Their development experiences continues in New Center, where RainCheck has purchased and is renovating the historic Sanders Confectionary on Woodward Avenue.

The proposed project contains three parcels. 40 Hague contains the current building and is approximately 0.49 acres. 8524 Woodward Avenue is approximately 0.16 acres contains the southwestern parking lot. The third and final parcel at 59 East Philadelphia Street is the southeastern parking lot and is approximately 0.86 acres. The property is roughly bounded by Hague Street to the northwest, an alleyway to the northeast, the property line and East Philadelphia Street to the southeast, and Woodward Avenue to the southwest. The project is located in the North End Neighborhood of Detroit with the northern terminus of the Q-Line located approximately one-half mile south along Woodward. The property is currently occupied by a vacant 2-story office building totaling approximately 37,000 square feet and two parking lots.

The proposed project will entail the rehabilitation of the current building into 38 residential apartment units. Each unit will include new, modern appliances, and feature open, loft-style floor plans. As part of the rehabilitation, the building will receive new utility distribution including electrical and plumbing, new energy efficient heating, cooling and ventilation systems, new energy efficient windows and doors, kitchen and bathroom cabinetry, appliances, and fixtures,

an improved access stairwell, and repairs to the building structure as needed. The structure will also be brought up to code, as applicable.

#### The Necessity for Tax Relief

Substantial investment is necessary to rehabilitate the area into a viable, long-term development. Additionally, the underutilized property will require repair and selective demolition with the property rehabilitation. The overall internal rate of return for the proposed development will be extremely low without the receipt of an OPRC and therefore, the development would not be possible without it.

The costs associated with the rehabilitation require multiple capital sources including equity contributed by RainCheck Development, LLC. Members as well as an interim construction loan, and upon completion, a long-term loan product. In order to secure this financing and future tenants, the operating costs of the proposed renovations and redevelopment of the project need to be kept as low as possible (including property taxes).

#### PA 146 Request

A 12-year abatement is being requested.

#### Economic Advantages of the Rehabilitation

Upon completion, the Development will return an obsolete property to productive use and will increase residential density in an area characterized by disinvestment. Activation of this property will spur further growth and act as a catalyst for future redevelopment of numerous vacant and blighted properties along Hague Street, and the Woodward Avenue corridor of the North End Neighborhood, providing spinoff consumer spending in an area that is currently left out of redevelopment planning.

The granting of the OPRA tax abatement will not result in any fewer taxes to the City of Detroit in the short-term or long-term. On a short-term basis approximately 18 construction jobs will be created. The general contractor, Monahan Co, has several Detroit-based subcontractors that they have used in the past and that they have requested bids from to ensure Detroit-based contractors and workers benefit from the redevelopment.

Upon successful redevelopment, the proposed redevelopment associated with the Development will create approximately one full-time equivalent (FTE) job related to the management and maintenance of the property. This new job, along with the new residents living at the development, will generate increased income taxes for the City of Detroit.

Following expiration of the 12-year abatement the building will deliver a significant increase in tax revenue. Over time, the successful redevelopment and cultural growth will a positive impact on the neighborhood.

#### Closing

RainCheck Development, LLC, is composed of seasoned professionals with extensive experience in residential development throughout Metro Detroit.

Request for Establishment of an Obsolete Property Rehabilitation Certificate at
40 Hague Street, Detroit MI 48202
for RainCheck Development, LLC

Members of the Development team are in process of reaching out to members of the North End community and neighboring property owners regarding the anticipated improvements and garnering meaningful feedback.

The team is looking forward to pursuing this redevelopment and creating a community space within Detroit's central North End Neighborhood.

Respectfully Submitted,

Neal Check Founder and Owner RainCheck Development, LLC 248-866-7900 neal@soundcheckilc.com

# Attachment A Detailed Project Description

#### **General Description**

The proposed Development is comprised of 8524 Woodward Avenue, 40 Hague Street, and 59 East Philadelphia Street in Detroit's North End Neighborhood. The property is loosely bounded by Hauge Street to the north, an alley to the east, East Philadelphia Street to the south, and the property line/Woodward Avenue to the west. The property consists of three parcels, which are outlined in the map below.

The property has historically been utilized as residential dwelling and various business, including printing and engraving businesses, professional offices, schools, and automotive sales and service businesses. The proposed project currently consists of renovating the building at 40 Hague Street to create 38 residential apartment units. New entry drives and will be created in addition to parking lot improvements at the existing parking lot of 59 East Philadelphia Street.

The associated address and parcel identification number can be found below and a copy of the corresponding legal description can be found at the end of this attachment.

#### **Description of Proposed Use**

The proposed redevelopment will create additional housing and increased residential density in an area of the North End Neighborhood that has been behind the curve for investment and redevelopment. The project includes renovating the building located at 40 Hague Street. Once

the rehabilitation is completed, the two-story building will offer 38 loft style apartments in the North End Neighborhood. Living space totals approximately 26,900 square feet. Two studios, 32 one-bedroom units, and four two-bedroom layouts will be made available. Twenty percent of the residential units (8 in total) will be reserved as affordable units at 60% Area Median Income (AMI), which will consist of five (5) one

bedroom units and three (3) two bedroom units.

Greenspace will be incorporated throughout the development; a landscaped interior courtyard will feature eating areas and a rooftop garden offers a unique place for residents to relax and entertain. Further greenspace will be created by converting the western parking lot (8524 Woodward Avenue) into a fenced private park for residential use.

Additionally, improvements will be made to the eastern parking lot (59 East Philadelphia Street) to serve as designated residential parking.

#### Nature and Extent of the Rehabilitation

As part of the rehabilitation, the building will be demolished internally and restructured to make room for apartment units. The building will receive new utilities including electrical and plumbing, new energy efficient heating, cooling and ventilation systems for each individual unit, and new energy efficient windows and doors. Kitchens and bathrooms will receive new cabinetry, appliances, and fixtures. A new access stair tower will be constructed which will lead to the roof top garden and sitting area. An open-air courtyard will be created in the center of the building to provide an outdoor eating space. Repairs to the building structure will be completed as needed, and made include replacing the roofing system, stone masonry repair, and other activities to honor the building's historic appearance. The structure will also be brought up to code, as applicable.

Furthermore, the western parking lot, 8524 Woodward Avenue will be improved as a private park for residents. The other parking lot at 59 East Philadelphia Street will be utilized for residents' parking and will receive improvements, including reconfiguration for a more efficient layout.

Existing building located at 40 Hague Street

Current interior conditions of 40 Hague Street

The Development will create residential tenant space for, and encourage, Detroiters to populate these spaces. These developments are necessary components crucial to attracting resident and visitor interest along with investment in this blighted area of Detroit.

Raincheck Development, LLC intends to apply for a 12-year real property tax abatement under the provisions of an Obsolete Property Rehabilitation Act tax abatement.

### Descriptive List of the Fixed Building Equipment/Renovations

Renovations and new fixed building equipment and materials for the project include;

- Site Work; water and sewer connections, parking lot improvements, landscaping, and creating a private park at 8524 Woodward Avenue
- Concrete; new main entrance and curb/sidewalk repair
- Masonry; restoration activities associated with the existing building
- Steel; structural steel staircase expansion and balconies
- Carpentry; framing, kitchen cabinetry, vanities, trim work
- Thermal and Moisture Protection; replace roofing system, weather proof new courtyard walls, caulking and sealing, waterproofing
- Doors and Windows; exterior doors, interior doors/frames/hardware, windows
- Fire alarm/suppression system.
- Mechanical; plumbing and HVAC
- Electrical; electrical work, security system, and communications

- Finishes; drywall and steel studs/insulation, concrete polishing, floor repair, stairs, hard tile, painting
- Specialties; ADA Lift (If required), fire extinguishers, unit appliances, toilet accessories and mirror, interior signage, and mailboxes.

Total construction hard cost investment is estimated at approximately \$5.58 Million, with a total investment of approximately \$8 Million.

#### Schedule

Construction activities are anticipated to commence fall of 2019 and last 18 months.

#### Statement of Economic Advantages

The proposed Development will bring needed investment to a vacant area of Detroit's North End Neighborhood. The Development will increase residential density in an area that is characterized by vacancy and has the perception of being unsafe. Activation of this property will spur further growth and infill development, and act as a catalyst for future redevelopment of numerous vacant and blighted properties along the Woodward Avenue corridor and the surrounding neighborhoods and provide spinoff consumer spending in the North End.

The granting of the tax abatement will not result in any fewer taxes to the City of Detroit in the short-term or long-term. Upon successful redevelopment, the Development will generate increased property taxes, through the newly renovated apartment building.

On a short-term basis approximately 18 full-time equivalent (FTE) construction jobs will be created for a construction period of approximately 18 months.

On a long-term basis the proposed redevelopment associated with the District will create approximately one FTE job and anticipated to house approximately 82 new Detroit residents within the 38 units. Therefore, it is anticipated the City of Detroit will collect approximately 2.4% income tax per resident per year. The table below illustrates the resident tax impact the development will have following completion.

Residential Benefits	Estimated Annual Amount		
Approximately 82 residents			
Per Capita Income x Residents x 2.4% \$31,140 x 82 x 2.4%	\$61,284		
One FTE permanent job			
\$45,000 x 1 x 2.4%	\$1,080		
Total	\$62,364		

Detroit's North End Neighborhood was once an important hub of automobile production in the early 20<sup>th</sup> century, housing more than 50,000 workers. Additionally, several popular Motown musicians including Aretha Franklin and Diana Ross called the neighborhood home. The North End is just beginning its renaissance of infill housing projects to revitalize a vibrant neighborhood. The proposed 40 Hague Redevelopment project is part of the neighborhood's transitional area

between the commercial nature of Woodward Avenue and the residential neighborhood branching east. The 40 Hauge Redevelopment works to transform an underutilized Property into a contemporary residential apartment building and will increase residential density in an area that is characterized by vacancy and has the perception of being unsafe. Investment such as this will help create an integrated and vibrant North End for all Detroiters.

Following expiration of the 12-year abatement the building will deliver a significant increase in tax revenue. Over time, the successful redevelopment and cultural growth will have a city-wide impact.

## OBSOLETE PROPERTY REHABILITATION EXEMPTION CERTIFICATE AGREEMENT

THIS AGREEMENT (this "Agreement"), by and between the City of Detroit (the "City"), a Michigan municipal corporation acting by and through its Planning & Development Department with an office at 2 Woodward Avenue, Suite 808, Detroit, MI 48226 and RainCheck Development, LLC (the "Applicant") with an office at 28715 Greenfield Road. Southfield, MI 48076 is made this 26th day of August, 2019.

#### WITNESSETH:

WHEREAS, Public Act 146 of 2000, as amended, also known as the Obsolete Property Rehabilitation Act (the "Act"), (1) provides for the establishment of obsolete property rehabilitation districts by local governmental units, (2) provides for the abatement or exemption from certain taxes for qualified obsolete property owners, and (3) allows local governmental units to levy and collect a specific tax from the owners of an obsolete property, among other provisions; and

WHEREAS, the Applicant has submitted an Application (the "Application") for an Obsolete Property Rehabilitation Exemption Certificate ("OPREC") for the property located at: 40 Hague Street, 8524 Woodward Avenue and 59 East Philadelphia Street (the "Property"). A copy of the Application is attached hereto as Exhibit A and made a part hereof; and

WHEREAS, the City has previously approved an obsolete property rehabilitation district pursuant to the Act, and the Property is located in such district; and

WHEREAS, the Applicant has committed to complete a Rehabilitation of the Property, as defined in the Act, and to hire or retain a certain amount of full-time employees at the Property during the Term (as defined below); and

WHEREAS, the City has approved the Application by adopting a resolution granting the OPREC to the Applicant, contingent upon the representations contained herein and pending approval by the Michigan State Tax Commission. A copy of the City resolution granting the OPREC is attached hereto as Exhibit B and made a part hereof; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

#### 1. General.

a. Unless earlier revoked as provided for in Section 12 of the Act, being MCL 125.2792, or as provided for in this Agreement, the term of the OPREC and the term of this Agreement (collectively, the "Term") will be <u>twelve (12)</u> years, beginning on the certificate beginning date stated in the OPREC issued by the Michigan State Tax Commission.

- b. The Applicant will complete the Property Rehabilitation, as defined in the Act and as set forth in the Application, no later than October 31, 2021.
- c. The Applicant shall create, or cause to be created, at least \_\_\_\_\_\_one (\_\_\_1\_\_\_) (the "Employee Commitment Number") full-time employees at the Property within one (1) year of the effective date of this Agreement.
- d. The Applicant will recruit and hire City of Detroit residents in accordance with specified targets as set forth in the City of Detroit Resident Employment Plan ("Employment Plan") submitted by the Applicant to the City as part of the Application and approved by the City of Detroit Civil Rights, Inclusion and Opportunity Department ("CRIO"). Throughout the Term, the Employment Plan may be modified in CRIO's sole discretion. CRIO will monitor the Applicant's compliance with the Employment Plan on an annual basis throughout the Term. Upon notice from CRIO of a discrepancy between the Applicant's commitment in the Employment Plan and the actual number of City of Detroit residents employed at the Property, Applicant shall submit a correction plan setting forth the Applicant's plan to bring the number of City of Detroit residents employed at the Property back up to the specified targets as set forth in the Employment Plan. Applicant's correction plan must be approved by CRIO. Applicant shall be required to fulfill the terms of such correction plan in the timeline set forth in the correction plan.
- e. For purposes of this Agreement, a "full-time employee" is defined as a person: 1) who is employed by the Applicant or its affiliates on a salary, wage, commission, or other basis for a minimum period of forty (40) hours a week and 2) from whose compensation the Applicant or its affiliates, including a staffing agency, are required by law to withhold City of Detroit income taxes. Affiliates may include Applicant's tenant(s) that lease space at the Property.

#### 2. Applicant Representations.

In compliance with the Act, and in order to induce the City to grant the OPREC to the Applicant, the Applicant represents that:

- a. The Applicant is the owner of the Property at the time of the Application and this Agreement.
- b. The Property is an "Obsolete Property" as defined under the Act.
- c. During the Term, no portion of the Property will be used as a professional sports stadium.
- d. During the Term, no portion of the Property will be used, owned or operated by a casino or affiliated company, as defined in the Act.
- e. The Applicant would not have considered accomplishing Rehabilitation of the Property without an OPREC.

- f. Rehabilitation of the Property did not start prior to establishment of the obsolete property rehabilitation district in which the Property sits.
- g. There are no delinquent taxes owed on the Property.
- h. The Applicant will pay any applicable taxes on the Property as they become due.
- i. The Rehabilitation and Applicant's current and planned future operation of the Property are in compliance with the City of Detroit Zoning Ordinance and Master Plan.
- j. If the Rehabilitation of the Property will include the provision of housing at the Property, the Applicant agrees to: 1) comply with Fair Housing Practices that meet the guidelines set forth by the U.S. Fair Housing Act (42 U.S.C. 3601 through 3619); and 2) comply with the Affordability Requirements set forth on Addendum 2, attached hereto.

#### 3. Community Benefits Requirements.

Pursuant to City of Detroit Ordinance 35-16 ("Ordinance"), also known as the Community Benefits Ordinance, if the Property involves a Tier 2 Development Project (as defined by the Ordinance), then the Applicant will:

- a. Partner with the City and, when appropriate, a workforce development agency to promote the hiring, training and employability of Detroit residents, consistent with State and Federal Law.
- b. Partner with the Director of the Planning & Development Department to address and mitigate negative impacts that the Tier 2 Development Project may have on the community and local residents. The Applicant will adhere to the mitigation requirements, if any, stated in the attached Addendum 1-4. b. Requirements, which is incorporated herein by reference.
- 4. Reporting to the City by the Applicant.

Applicant agrees to provide the City with sufficient information, subject to review and audit by the City, in order to determine compliance with this Agreement. At a minimum, the Applicant shall provide the City with the following during the Term:

- a. Upon request, the Applicant shall provide the Planning & Development Department copies of all construction plans, building permits and certificates of occupancy related to the Rehabilitation of the Property. These documents, along with periodic site visits to the Property by the City, will serve to establish whether the Applicant is completing the Rehabilitation to the Property as required by the Act and this Agreement.
- b. Within two (2) weeks after the first year of the Term and for each year of the Term thereafter, Applicant shall submit to the Planning & Development Department a certified status report ("Status Report") signed by an authorized officer of the Applicant. The Status Report shall set forth for the previous year: 1) the Rehabilitation

work completed at the Property; 2) Applicant's financial investment in the Property for that year; and 3) the number of full-time employees at the Property for that year.

- c. Within two (2) weeks after the last day of the first year of the Term and each year of the Term thereafter, the Applicant shall submit to CRIO the Annual Employment Report for Tax Abatements (the "Status Report"), including copies of proofs of residency that have been accepted by CRIO.
- 5. Revocation of OPREC and Termination of this Agreement.

The City may, in its sole discretion and by resolution of Detroit City Council, revoke the OPREC if the City finds that: 1) the completion of Rehabilitation of the Property has not occurred in the time or manner authorized by this Agreement; or 2) that the Applicant has not proceeded in good faith with the Rehabilitation of the Property in a manner consistent with the purposes of the Act, taking into account any circumstances that are beyond the control of the Applicant.

Good faith efforts include, but are not limited to, the following: 1) Applicant is actively working with an agency or City Department to hire and ascertain methods of recruiting and employing Detroit residents at the Property, and 2) Applicant is actively working with the Detroit Economic Growth Corporation, the City's Planning & Development Department, and CRIO to ascertain methods of obtaining resources to improve Applicant's business in a manner that will allow for compliance with this Agreement.

6. Payment of Exempted Taxes for Shortfall of Employment.

If the average number of full-time employees at the Property for any given year of the Term is less than the Employee Commitment Number, the Applicant agrees to pay to the City, in addition to the Obsolete Properties Tax due under the OPREC, an amount equal to the difference between the amount of ad valorem tax that would be due on the Property without the OPREC, and the amount of Obsolete Properties Tax due on the Property under the OPREC, for that given year, multiplied by a fraction, the numerator of which is the shortfall in the number of full-time employees indicated in the Status Report, and the denominator of which is the Employee Commitment Number. Prior to taking any action to require the Applicant to pay an amount to the City pursuant to this Section, the City must afford the Applicant an opportunity to present reasons for the employment shortfall at a public hearing.

In the event that the Applicant fails to report in the Status Report the number of full-time employees at the Property for a given year of the Term, the number of full-time employees at the Property for purposes of this Section shall be deemed to be zero (0).

7. Notice to City of Discontinuance of Operations.

If during the Term the Applicant intends to discontinue operations at the Property, the Applicant will provide thirty (30) days' prior written notice of such shutdown of operations to the Director of the Planning & Development Department.

#### 8. Reservation of Remedies.

The City and the Applicant agree that each of the rights and remedies provided by this Agreement may be exercised separately or cumulatively, and shall not be exclusive of any other rights and remedies provided by law. Invalidation of any of the provisions contained in this Agreement by operation of law, judgment, court order or otherwise shall not invalidate any of the other provisions of this Agreement.

#### 9. Transfer.

Neither the OPREC nor this Agreement may be transferred or assigned by the Applicant to a new owner of the Property unless the City, in its sole discretion, approves such transfer or assignment upon application by the new owner.

#### 10. Headings.

The headings contained in this Agreement are for descriptive purposes only, and do not alter or govern the substantive content of the provisions of the Agreement.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the City and the Applicant, by and through their authorized officers and representatives, have executed this Agreement as follows:

Master Plan Interpretation for Obsolete Property District (PA 146) at 40 Hague Street and 59 E.

Philadelphia Street [Petition #895]

DATE:

June 13, 2019

CC:

Maurice Cox, Director, Planning and Development

Woodward is absorbed into the parcel with the address of 40 Hague Street.

Kevin Schronce, Central Region, Planning and Development

In order to ensure that the **creation** of an **Obsolete Property District** is in conformance with the City's Master Plan of Policies and will have the reasonable likelihood to increase commercial activity; create, retain or prevent a loss of employment; revitalize an urban area; or increase the number of residents in a community, pursuant to State of Michigan, Public Act 146 of 2000 (section 125.2788), the Planning and Development Department submits the following interpretation. The Petitioner is RainCheck Development LLC

**Location and Project Proposal:** 40 Hague Street and 59 East Philadelphia Street **Note:** 40 Hague Street and 59 East Philadelphia Street; 8524 Woodward Avenue is an address that does not exist and may be a retired parcel. According to city records, the property located at indicated 8524

The project proposal seeks to renovate existing structure to create 38 residential apartment units and parking lot improvements on 59 E. Philadelphia Street. The proposed development will include 36,700 square feet of living space divided into 2 studios, 28 one-bedroom units, and 8 two-bedroom layouts. A minimum of 20% of units will be priced to meet affordable unit requirements for 80% of the Area Median Income. Greenspace will be incorporated throughout the development; a landscaped interior courtyard will feature eating areas and a rooftop garden. Further greenspace will be created by converting western parking lot into a fenced private park for residential use.

#### **Master Plan Interpretation**

The subject sites are located on areas designated as Neighborhood Commercial and Low/Medium Density Residential (RLM)

The subject site area is designated **Neighborhood Commercial (CN)**. Neighborhood Commercial Districts generally consist of a large collection of contiguous storefronts along a street or streets. This commercial type is pedestrian oriented with wide sidewalks and landscaping. Parking should be on the street, in structures (with ground floor retail), at the rear of commercial establishments or in concentrated nodes at the periphery of the area. In addition to commercial uses, Neighborhood Commercial areas may also include institutional uses such as libraries and post offices.

The subject site area is designated Low/Medium Density Residential (RLM). Low/Medium Density Residential areas should have an overall density of 8 to 16 dwelling units per net residential acre. The areas are often characterized by two or four family homes with small yards, on-street parking, or garages with alley access. The residential classifications allow for neighborhood-scale commercial development. For instance, in a Low/Medium Density Residential area, small scale commerce (e.g. convenience stores) should exist to serve residents' day-to-day needs.

The following policies of the Middle Woodward neighborhood describe the following recommendations:

- Goal: 3 Increase Residential Density
- Policy 3.1 Develop East and West Grand Boulevard, and Woodward as a high-density mixed use area, with housing and ground-floor commercial

The project proposal seeks to convert the interior of an existing structure that states former building operations to include residence, printing and engraving services, professional offices, schools, and automotive sales and services into high-density residential. The subject site is zoned B4 where multifamily dwellings are conditional. The proposed impacts are primarily internal within the structure with external landscaping upgrades and are not believed to have a negative impact on the character of the surrounding area.

The proposed development conforms to the Future General Land Use recommendations for this area.

vacancies to Detroit Businesses and/or how you will promote tenants to hire Detroit residents? If the facility is owner occupied, what methods, tools, or resources will you utilize to fulfill the hiring

commitments stated in the tax abatement agreement?

On behalf of RainCheck Development, LLC's request for a PA 146 Obsolete Property Rehabilitation Act (OPRA) tax abatement we submit the following Employment Narrative.

1. The proposed Development is comprised of 8524 Woodward Avenue, 40 Hague Street, and 59 East Philadelphia Street in Detroit's North End Neighborhood. The property is loosely bounded by Hauge Street to the north, an alley to the east, East Philadelphia Street to the south, and the property line/Woodward Avenue to the west. The project includes renovating the building located at 40 Hague Street. Once the rehabilitation is completed, the two-story building will offer 38 loft style apartments in the North End Neighborhood. Living space totals approximately 26,900 square feet. Two studios, 32 one-bedroom units, and four two-bedroom layouts will be made available. Twenty percent of the residential units (8 in total) will be reserved as affordable units at 60% Area Median Income (AMI), which will consist of five (5) one bedroom units and three (3) two bedroom units. The proposed redevelopment will create additional housing and increased residential density in an area of the North End Neighborhood that has been behind the curve for investment and redevelopment.

Greenspace will be incorporated throughout the development; a landscaped interior courtyard will feature eating areas and a unique place for residents to relax and entertain. Further greenspace will be created by converting the western parking lot (8524 Woodward Avenue) into a fenced private park for resident use. Additionally, improvements will be made to the eastern parking lot (59 East Philadelphia Street) to serve as designated residential parking.

On a short-term basis approximately 18 full-time equivalent (FTE) construction jobs will be created for a construction period of approximately 18 months.

On a long-term basis the proposed redevelopment associated with the District will create approximately one FTE job and anticipated to house approximately 82 new Detroit residents within the 38 units. Total investment is approximately \$8 Million.

- 2. The future permanent job creation will be associated with the management and maintenance of the property. RainCheck is currently working with third party management companies and it is planned that the management is be Detroit based, employing Detroit residents. During the construction period, The Monahan Company, as the project's general contractor, is well-versed and has an inventory of Detroit-based subcontractors that they intend to utilize during redevelopment activities. The Monahan team will also present at a skilled trades task force meeting.
- Not applicable.

RE: Obsolete Property Rehabilitation Certificate - RainCheck Development LLC

Property Address: 40 Hague Parcel Number: 01002660-0

Dear Ms. Trudeau:

The Office of the Chief Financial Officer, Office of the Assessor, has reviewed the proposed Obsolete Property Rehabilitation certificate application for the property located at **40 Hague** at the **North End** area of the City of Detroit.

The rationale for granting Obsolete Property Rehabilitation certificates under PA 146 of 2000, as amended, is based on the anticipation of increased market value upon completion of new construction and /or significant rehabilitation of existing commercial property and commercial housing property. Normal repair and maintenance are not assessed and do not necessarily generate additional market value.

RainCheck Development LLC intends to rehabilitate the building into 38 loft style residential units consisting of two studios, 32 one-bedroom units, and 4 two-bedroom units with modern appliances of which twenty percent of the unit being reserved as affordable units. The two-story building at 40 Hague is currently vacant and consist of 36,944 square feet of office building area, built in 1935 and situated on .658 acres of land. Rehabilitation will include new utility distribution, including electrical and plumping, new energy efficient heating, cooling and ventilation systems, new energy efficient windows and doors, kitchen and bathroom cabinetry, fixtures and an improved access to the stairwell with repairs to the building structure as needed.

The 2019 values are as follows:

Parcel #	Address	Buildin Value (S	g Assessed SEV)	Buildi Taxabl		Land Assess	ed Value (SEV)	Land Taxab	e Value
01002660-0	40 Hague	\$	529,100	\$	529,100	\$	20,800	\$	20,800

This property meets the criteria set forth under PA 146 of 2000, as amended. It applies to blighted, functionally obsolete and contaminated properties. "Rehabilitation," meaning that changes to qualified facilities that are required to restore or modify the property, together with all appurtenances, to an economically efficient condition.

The property is located near the **North End** area and is expected to increase commercial activity, create employment, retain employment, increase the number of residents in the community and revitalize an urban area.

A field investigation indicated that the property located at **40 Hague** is eligible as it pertains to the Obsolete Property Rehabilitation Act under P.A. **146** of 2000, as amended.

Detroit City Council 1340 Coleman A. Young Municipal Center Detroit, MI 48226

**RE:** Property Sale

908 Clay and 7658 Oakland, Detroit, MI 48209

Honorable City Council:

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from The Ansonia Company LLC (the "Purchaser"), a Michigan limited liability company, whose address is 60 E. Milwaukee, Unit 2512, Detroit, MI 48202, to purchase certain City-owned real property at 908 Clay and 7658 Oakland, Detroit, MI (the "Properties"). The P&DD entered into a purchase agreement, dated July 12, 2019, with the Purchaser. Under the terms of the proposed Purchase Agreement, the properties will be conveyed to the Purchaser for the purchase price Thirty Six Thousand Three Hundred Sixty and 00/100 Dollars (\$36,360.00).

The Purchaser intends to construct a mixed use building, with commercial/retail space on both the Oakland and Clay frontages, and one to three floors of residential units above the retail spaces. The Purchaser anticipates a 36 month timeline for completion of the project. Currently, the property is within a B4 zoning district (General Business District). As per section 61-9-80 (7) of the City of Detroit zoning ordinance, the Purchaser's intended use of the properties as a mixed-use commercial space with residential units is not a permitted use under the zoning ordinance without the necessity of a rezoning, special exception, use permit, variance, or other approval. The Purchaser shall apply for and obtain rezoning of the properties, a conditional use permit or variance regarding the properties prior to closing and the consummation of this sale.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to The Ansonia Company LLC.

Respectfully submitted,

Katy Trudeau Deputy Director

cc: Stephanie Washington, Mayor's Office

## RESOLUTION

BY (	COI	UN(	CIL	$\mathbf{ME}$	MB	ER
------	-----	-----	-----	---------------	----	----

**NOW, THEREFORE, BE IT RESOLVED,** that Detroit City Council hereby approves of the sale of certain real property at 908 Clay and 7658 Oakland, Detroit, MI (the "Properties"), as more particularly described in the attached Exhibit A incorporated herein, to The Ansonia Company (the "Purchaser") for the purchase price of Thirty Six Thousand Three Hundred Sixty and 00/100 Dollars (\$36,360.00); and be it further

**RESOLVED**, that the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Properties to the Purchaser consistent with this resolution; and be it further

**RESOLVED**, that the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, 2) One Thousand Eight Hundred Eighteen and 00/100 Dollars (\$1,818.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

**RESOLVED**, that the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

**RESOLVED**, that the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.
